If you are unsure of your agency's DUNS number please contact your finance department.

DUNS Number 08-001-0133

Funding Categories

Select your Operational Area (County): Alameda County

Is your agency directly affiliated with the City of Oakland? No

Will your project benefit two or more operational areas? Yes

All projects must benefit 2 or more operational areas.

Please state which operational areas your project will benefit and how* The project will support regional planning for, and governance of, public safety broadband communications in Alameda, Contra Costa, Marin, San Francisco, San Mateo, Santa Clara and Sonoma County operational areas.

250 Characters Maximum

Will your project benefit three or more hubs? Yes

Select an available funding category: Regional

Project Description

Select a goal: Goal 3: Communications

Bay Area UASI Homeland Security Goals & Objectives

Select a Priority Capability Objective: Objective 3.1 Operational Communications

Objective

Select the applicable FEMA Core Capability for your project: Operational Communications

FEMA Core Capabilities

Select a nexus to terrorism: This project will enhance regional capacity to: Prevent Terrorist Attacks, Protect Against Terrorist Attacks, Mitigate Effects of Terrorist Attacks, Respond to Terrorist Attacks, Recover from Terrorist Attacks

Select all that apply

Describe the nexus to terrorism in detail:

Support planning and governance required to deploy the FirstNet nationwide public safety broadband network. This network will enable first responders and emergency managers to share critical information to prevent, respond to and recover from terrorist attacks.

300 Characters Maximum

Select all applicable outcomes:

Yes

a) During the first 24 hours following a no-notice incident, responders share mission critical voice information with each other and with responders from across the Bay Area region.

Yes

b) Ensure local or regional emergency communications systems are based on established governance, standard operating procedures, and technology.

c) Within seven days following a catastrophic earthquake, implement a plan to re-establish communications infrastructure throughout the Bay Area, especially commercial communication systems relying on cable (THIRA).

Other - Describe Below:

Project Summary- Provide a brief description of your project:

This is year two of the BayRICS regional broadband planning and governance project. The grant will support terrorism preparedness by funding contract services to help BayRICS plan for the deployment of the FirstNet nationwide public safety broadband network in the Bay area, and to support California with regional information gathering for state consultation with FirstNet.

500 Characters Maximum
