**Discussion:**

In January 2021, the four planning hubs met to select projects from among those submitted by Bay Area UASI stakeholders. Members from each planning hub reviewed and ranked the proposed projects in prioritized order, creating a list separated by “above the line” as well as “below the line” projects.

Today, the Management Team presents the list of hub-selected projects for the FY 21 grant cycle for your review and approval. The amounts allocated for each hub reflect the FY 21 Risk Allocation percentage as approved by the Approval Authority at the November 2020 meeting.

Attached as Appendix A is a list of FY 21 projects.

The Management Team wishes to thank the hub voting members, project proposers, and all UASI stakeholders who participated in this year’s hub proposal process for their time and thoughtful input.
