

To: Bay Area UASI Approval Authority

**From: Woody Baker-Cohn, Marin County Emergency Services Coordinator
David Frazer, Statewide Cal COP Program Manager**

Date: May 12, 2016

Re: Item 8: WebEOC Assessment Project Update

Staff Recommendation:

No recommendation – for discussion only

Action or Discussion Item:

Discussion

Discussion:

In May 2015, the Approval Authority was provided with an overview of the WebEOC Assessment Project including key findings and the following recommendations:

1. All Bay Area OAs should ensure they have active CalEOC accounts.
2. Local instances of WebEOC in the Bay Area should link via CalEOCs fusion server to enhance regional data sharing.
3. Enable automated data sharing between CalEOC and Bay Area OA WebEOC instances.
4. Prioritize CalEOC and WebEOC administrator and end-user training.
5. Pilot connectivity between local instances of WebEOC and Cal COP.

Woody Baker-Cohn serves as the chair of the Northern California WebEOC User Group and vice chair of the State WebEOC User Group. Woody will provide an update and next steps on recommendations one through four. (see Appendix A)

David Frazer, the California Common Operating Picture (Cal COP) Statewide Program Manager, will provide an update and next steps on recommendation five. (see Appendix B and C)
