Re: Item 4c: Grant Funded Program Updates – RCPGP

Staff Recommendation:

Information only

Action or Discussion Item:

Discussion only

Background:

The Bay Area UASI has received funding via the Regional Catastrophic Preparedness Grant Program for the past four years through a competitive application process.

Summary:

The FY19 RCPGP funded project of **Life Sustaining Commodity Distribution Planning** is complete. The final products and tools are available at: <https://www.bayareauasi.org/cpod>. These include downloadable, customizable planning templates to support jurisdictions in developing Commodity Points of Distribution (C-POD) site plans with associated memoranda of understanding (MOUs), writing local C-POD logistics plans, and holding C-POD site plan validation tabletop exercises (TTXs). Additional items include resource estimation calculators, guidance for developing MOUs, and materials from *C-POD Operations and Management* (including a condensed version with video) and *Disaster Logistics for Practitioners* training.

FY19 Spending Status

- Award Amount: \$1,406,550
- Amount Spent: \$1,406,550
- Amount Remaining: \$0

The FY20 RCPGP funded project of Regional Pandemic Preparedness is complete. The final products and tools are available at <https://www.bayareauasi.org/PandemicPreparednessPlanning>. These include a regionwide COVID-19 after action report, a regional pandemic preparedness framework, and an interactive, searchable, online pandemic crisis communications toolkit.

FY20 Spending Status

- Award Amount: \$929,414
- Amount Spent: \$929,414
- Amount Remaining: \$0

The FY21 RCPGP funded project of **Supply Chain Resilience** is underway. A series of nine supply chain resilience seminars engaging public and private sector agencies was conducted from fall of 2022 through spring of 2023. A Decision-Making Playbook and Supply Chain Considerations for People with Disabilities Report are being developed. These tools and regional supply chain resilience concepts will be exercised in an upcoming series of tabletop exercises. Seminar summaries and completed products are available at <https://www.bayareauasi.org/supplychain>.

FY21 Spending Status

- Award Amount: \$945,818
- Amount Spent: \$251,359
- Amount Remaining: \$694,459

The FY22 RCPGP funded project of **Equitable Community Resilience** is underway. Each of the 14 UASI member jurisdictions are receiving technical assistance to complete a local roadmap to community resilience for an identified underserved community as well as to update or develop local plans. Additional community based trainings and exercises are planned within this project for 2024 – 2025.

FY22 Spending Status

- Award Amount: \$1,309,398
- Amount Spent: \$0
- Amount Remaining: \$1,309,398

The Bay Area UASI submitted an application for FY23 RCPGP funding to expand and continue efforts in Equitable Community Resilience. Funding awards have not been announced as of the date this report was prepared.
