

Bay Area UASI

Regional Catastrophic
Preparedness Grant Program

FY19 and FY20
Projects Update

Approval Authority Meeting

November 12, 2020

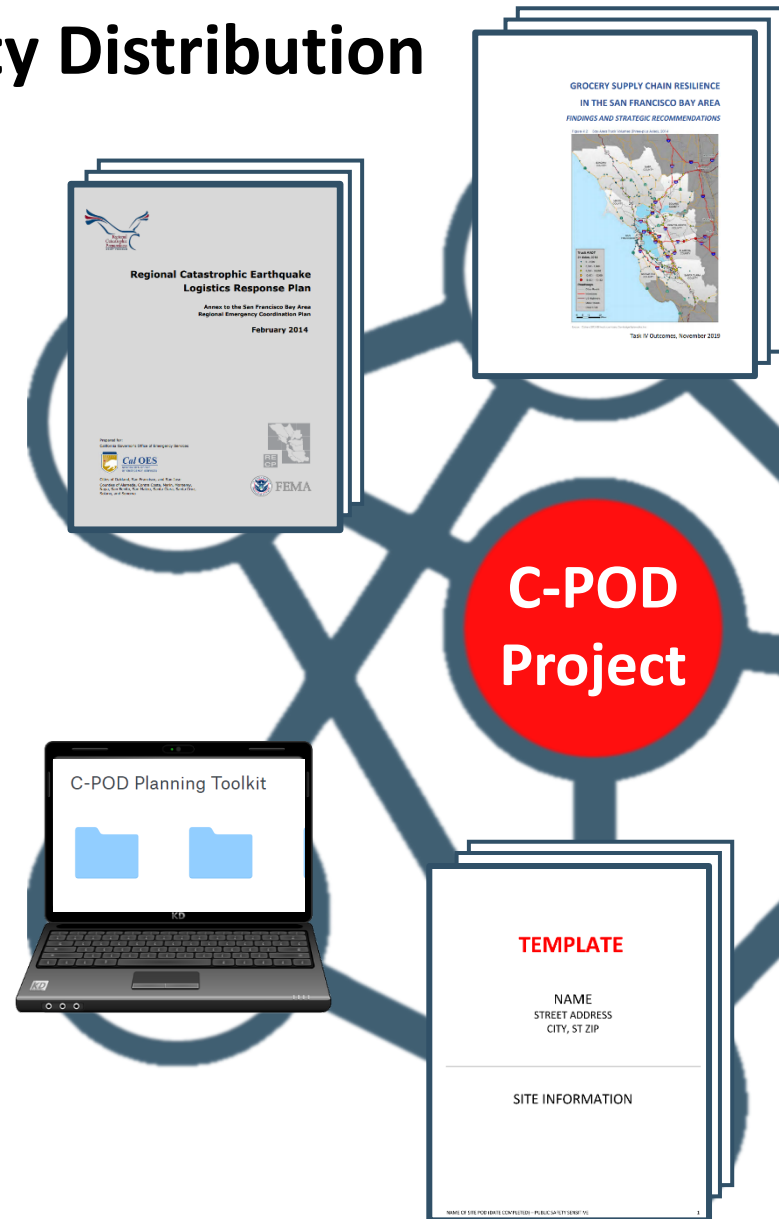

FY19 Project Overview

Life Sustaining Commodity Distribution

Goal: To improve ability to provide life-sustaining commodities after a disruption in critical lifelines and services.

The project builds upon:

- [Regional Catastrophic Earthquake Logistics Response Plan and Companion Materials](#) (2013-2014)
- [C-POD Planning Toolkit](#) (2015-2016)
- [Grocery Supply Chain Resilience Findings and Strategic Recommendations](#) (2018)

C-POD Project Timeline
