9. **GENERAL PUBLIC COMMENT**
   Members of the public may address the Approval Authority for up to three minutes on items within the jurisdiction of the Bay Area UASI Approval Authority.

10. **ADJOURNMENT**

If any materials related to an item on this agenda have been distributed to the Approval Authority members after distribution of the agenda packet, those materials are available for public inspection at the Bay Area UASI Management Office located at 1663 Mission Street, Suite 320, San Francisco, CA, 94102 during normal office hours: 8:00 a.m. - 5:00 p.m.

Public Participation:

It is the policy of the Approval Authority to encourage and permit public participation and comment on matters within the Approval Authority's jurisdiction, as follows.

- *Public Comment on Agenda Items.* The Approval Authority will take public comment on each item on the agenda. The Approval Authority will take public comment on an action item before the Approval Authority takes any action on that item. Persons addressing the Approval Authority on an agenda item shall confine their remarks to that particular agenda item. For each agenda item, each member of the public may address the Approval Authority once, for up to three minutes. The Chair may limit the public comment on an agenda item to less than three minutes per speaker, based on the nature of the agenda item, the number of anticipated speakers for that item, and the number and anticipated duration of other agenda items.

- *General Public Comment.* The Approval Authority shall include general public comment as an agenda item at each meeting of the Approval Authority. During general public comment, each member of the public may address the Approval Authority on matters within the Approval Authority's jurisdiction. Issues discussed during general public comment must not appear elsewhere on the agenda for that meeting. Each member of the public may address the Approval Authority once during general public comment, for up to three minutes. The Chair may limit the total general public comment to 30 minutes and may limit the time allocated to each speaker depending on the number of speakers during general public comment and the number and anticipated duration of agenda items.

- *Speaker Identification.* Individuals making public comment may be requested, but not required, to identify themselves and whom they represent.

- *Designated Public Comment Area.* Members of the public wishing to address the Approval Authority must speak from the public comment area.

- *Comment, Not Debate.* During public comment, speakers shall address their remarks to the Approval Authority as a whole and not to individual Approval Authority representatives, the General Manager or Management Team members, or the audience. Approval Authority Representatives and other persons are not required to respond to questions from a speaker. Approval Authority Representatives shall not enter into debate or discussion with speakers during public comment, although Approval Authority Representatives may question speakers to obtain clarification. Approval Authority Representatives may ask the General Manager to investigate an issue raised during public comment and later report to the Approval Authority. The lack of a response by the Approval Authority to public comment does not necessarily constitute agreement with or support of comments made during public comment.

- *Speaker Conduct.* The Approval Authority will not tolerate disruptive conduct by individuals making public comment. Speakers who use profanity or engage in yelling, screaming, or other disruptive behavior will be directed to cease that conduct and may be asked to leave the meeting room.

Disability Access

The Bay Area UASI Approval Authority will hold its meeting at the James Burton Federal Building, Northern California Regional Intelligence Center, 2nd Floor, California Conference Room, located at 450 Golden Gate Avenue, San Francisco, CA 94102. In compliance with the Americans with Disabilities Act, those requiring accommodations for this meeting should notify the UASI Administrative Assistant, at least 24 hours prior to the meeting, at (415) 353-5223.

Re: **Item 03: General Manager's Report**

Recommendations:

Approve the 2023 Calendar for the Bay Area UASI Approval Authority Meetings. (Action)

Action or Discussion Items:

(a) Notification of FY 22 Regional Catastrophic Preparedness Grant (RCPGP)Award (Discussion)
(b) FY 22 Targeting Violence and Terrorism Prevention (TVTP) grant
(c) UASI Grant Update (Discussion).
(d) Management Team Staff Update (Discussion)
(e) Approval of the 2023 Calendar for Approval Authority Meetings (Action)
(f) Management Team Tracking Tool and Future Agenda Items (Discussion)

Discussion/Description:

(a) Notification of FEMA Grant Award FY 2022 (Discussion Only)

On September 23, 2022, FEMA announced the final decision on awards for the FY 2022 Regional Catastrophic Preparedness Grant program (RCPGP). The total amount of funds allocated awarded for the program was $12 million. As one of ten recipients, the Bay Area UASI was awarded $1,309,398.

(b) 2022 FY Targeting Violence and Terrorism Prevention (Discussion Only)

On September 15, 2022, DHS informed the Bay Area UASI that its grant application was not selected. DHS received approximately $40 million requests with only $20 million available for award. We requested a meeting to discuss our grant applicant and receive feedback.

(c) UASI Grant Update (Discussion Only)
On October 24, 2022, Cal OES sent notification that the FY 2022 UASI subaward was approved in the amount of $30,194,935. There were no financial holds placed on the award.

FEMA will be hosting two webinars (November 2 & 7) to present and discuss their new revisions to their proposed enhancements of the State Homeland Security Program (SHSP) and Urban Areas Security Initiative (UASI) FY 23 risk methodology.

(d) Management Team Staff Update (Discussion Only)

Retired Captain Dominic Yin, who is the Securing the Cities (STC) program manager, has accepted a promotive opportunity in the private sector and has resigned from his position. The Management Team will be coordinating with the San Francisco DHR Dept. to recruit and fill the position.

Karen Tsang, Bay Area UASI grant specialist, has also resigned to pursue other opportunities. The Management Team will also be coordinating with San Francisco DHR Dept. to recruit and fill the position.

(e) Approval of the 2023 Calendar for Approval Authority Meetings (Action)

For the 2023 calendar year, the time/place of the Bay Area UASI Approval Authority meetings are at 10:00 AM at the Alameda Sherriff's Office OES on the second Thursday of the month for January, March, June, September, and November.

Attached as Appendix E is the 2023 Schedule of Approval Authority Meetings.

(f) Management Team Tracking Tool and Future Agenda Items (Discussion Only)

Attached as Appendix F is the Management Team Tracking Tool. Approval Authority members may submit future agenda items at any time to the General Manager.

Re: Item 04: 2022 THIRA/SPR and FY23 Hub Funding Formula Approval

---

Staff Recommendation:

A. Approve 2022 THIRA/SPR for submission to FEMA
B. Approve FY23 UASI Hub Funding Formula for three years.

Action or Discussion Items:

Action

A. THIRA & SPR (Action)

Background:

FEMA requires that all Homeland Security Grant recipients submit the Threat and Hazard Identification and Risk Assessment (THIRA) and Stakeholder Preparedness Review (SPR) each year. The THIRA helps communities understand risks and identify the capabilities needed to address those risks. The SPR provides a framework to assess a community's capacity to address the threats and hazards identified in the THIRA.

The THIRA and SPR do not affect the amount of funding the Bay Area UASI receives from the Department of Homeland Security however, the significance of the process has increased due to new grant requirements to identify critical gaps.

Discussion:

Today, the completed 2022 THIRA and SPR documents are being presented to the Approval Authority for approval for submission to FEMA. Highlights of the 2022 THIRA and SPR include:

- Refresh of Complex Coordinated Attack and Cyber-Attack scenarios
- Addition of a School Shooting scenario
- Development and assessment of custom Capability Targets to address National Priority Areas

The 2022 THIRA and SPR documents are For Official Use Only (FOUO) and have been prepared following FEMA's formatting specifications. It is available to Approval Authority members in hard copy at today's Approval Authority meeting and electronically by request.

B. FY23 Funding Formula (Action)

Background:

The Bay Area UASI uses Department of Homeland Security's Metropolitan Statistical Area (MSA) risk formula to guide the portioning of grant dollars among the Bay Area four hubs using risk criteria. We have used the following hub funding formula for the past eleven years:

Population risk (49%) ∗ Asset risk (29%) ∗ Economic risk (22%)

Haystax Technology calculates population risk using census, density, and commuter data. Asset risk is determined by threat, vulnerability, and consequence data from the Bay Area UASI asset catalog in Cal COP. Economic risk is calculated by using Gross Domestic Product (GDP) by Metropolitan Statistical Area (MSA) and industry data from the U.S. Bureau of Economic Analysis (BEA). The combination of the three weighted risk elements (population, asset, and economic) determines each hub's overall percentage of risk in the region

Discussion:

The FY23 hub allocation risk percentages changed minimally from last year. The table below provides the FY23 hub risk allocation percentage results as compared to FY22.

Table 1

Hub	FY 2022 Allocation Percentage	FY 2023 Allocation Percentage
East	23.01%	**22.84%**
North	6.34%	**6.11%**
South	25.50%	**24.91%**
West	45.16%	**46.14%**
TOTAL	**100%**	**100%**

The UASI Management Team seeks approval of the Hub Funding Formula presented in Table 1 for the next three years. The new Hub Funding Formula refresh schedule syncs with the availability of U.S. Census data (updated every five years) and BEA data (updated every three years). In addition to a 3-5 year cycle when risk methodology data is updated, efficiency and cost savings from not paying a vendor to annually update the formula is another reason to move to a three year cycle. The Management Team will be happy to meet and review the hub funding formula process and updates.

Item 05c

Where we are currently

- SF STC has been approved for the FY 22/23 continuation budget which we will use to purchase additional equipment inclusive of mobile scanners.

- SF STC expects to move into Phase III within the next 3 years in accordance with CWMD STC mandates. To qualify, we conducted a table top exercise at this year's UASI Public Safety Summit that ran from November 1st to the 3rd

- SF STC expects that in 3 years, our region will achieve full operational capability and successfully demonstrate its ability to integrate into a national detection framework for rad/nuc response.

Phase II – Benchmarks for year two of Phase II (Phase II lasts three years)

- September 2022 – Assistant Secretary of DHS Gary Rasicot held the first STC city visit and invited all 13 other STC jurisdictions. High level discussions including maritime and airport safety in the region.

- STC visited LLNL with the Assistant Secretary to leverage our relationship with RAP7

- STC collaborating with 95th CST for February training event.

Discussion:

Domestic Violent Extremism

October's Gun Violence Restraining Order training with the San Francisco City Attorney's Office included local, State, and Federal law-enforcement agencies, the District Attorney's office, San Francisco Fire Department, schools, and other City and County of San Francisco departments and agencies. The Bay Area UASI and Northern CA Regional Intelligence Center (NCRIC) have a multitude Domestic Violent Extremism (DVE) Prevention Programs underway. The November's Domestic Violent Extremism track at the Bay Area UASI Public Safety Preparedness Summit was very well-received. We are expanding the Safe School Ambassadors program for 25 Bay Area schools.

Our first school safety symposium in partnership with the San Mateo County Office of Education is scheduled for January 11, 2023 at the College of San Mateo and will include more training on Gun Violence Restraining Orders. Additional evidenced-based prevention training funded by UASI includes Restorative Justice Training and Anonymous Reporting for Bay Area Schools. The NCRIC is scheduling additional Domestic Violent Extremism and Gun Crime Intelligence Center Symposiums, as well as Policing Violent Extremism I/II and Behavioral Threat Assessment Training.

Targeted Violence and Terrorism Prevention Program

The Santa Clara County Office of Education continues to develop Media Literacy for Students and Directing Change is implementing Mental Health Film Contests across 12 Bay Area schools. Cross-Sector Threat Assessment and Management Training (in person) and Terrorist Use of the Internet Training (on-line) training courses are scheduled and open for registration.

The California Prevention Practitioners Network November 16th meeting will feature the NCRIC, DHS, FBI, and the Director of the National Prevention Practitioners Network who will discuss the launch of www.SCREENHate.org - for friends, parents, and caregivers.
